

# CLASS OF 2022

## PROJECT GRADUATION

Project Graduation (PG) is a series of safe, drug and alcohol-free events for graduating seniors, sponsored by Nolan Catholic High School through funds raised by student fees and PG fundraising opportunities.

The program and activities have been outlined for you in an email sent in June. If you did not receive the email, please send your preferred email address to [projectgrad@nchstx.org](mailto:projectgrad@nchstx.org). You will receive PG e-Newsletters throughout the year with pertinent information.

Project Graduation is advised by NCHS representatives (Assistant Principal, Ms. Cindy Jung) and is produced and funded (through various fundraising activities) by Senior Class Parents and senior fees. All PG committee positions are to be filled by Senior Class parents. If there is a position not filled, the activity/event will not happen.

Including this form, there are five (5) forms to be completed in order for your student to participate in PG '22. Review them carefully, complete and return all five (5) forms as soon as possible. ***(FYI - No fees are due with these forms.)***

Please contact me if you have any questions or comments or would like to volunteer for a committee. I looking forward to working with you to plan a great Project Graduation event for the Class of 2022!
