HISTORY

Nolan Catholic High School continues a tradition that began more than half a century ago: a ministry of the Diocese of Fort Worth providing a college preparatory education and evangelizing students to be tomorrow's servant leaders through education based in faith, formation based in hope, and perseverance in charity. Founded in 1961, Nolan Catholic's storied history continues to evolve, grow, and move in exciting new directions. During 2019-2020, the campus underwent a \$32 million enhancement, including updates to the existing main building, new classroom furniture, additional outdoor classrooms, a state-of-the-art Natatorium, and an Integrated Design of Engineering and Arts (IDEA) Building.

VISION

A Nolan Catholic education engages our students with a diverse, rigorous curriculum that spans across academic disciplines. Even more importantly, the Nolan Catholic *experience* helps our students discover, nurture, and develop their unique, God-given talents. Our students learn to succeed with grace, fail with dignity, and approach all challenges with humility. Nolan Catholic High School students are immediately recognizable as Christians through their acts of faith.

FORMATION

The Nolan Catholic experience addresses the whole person with college preparatory academics, an award-winning fine arts program, championship-level athletics, innovative ecology and engineering programs, and more – all built on a foundation rooted in our Catholic faith. We are committed to partnering with families to teach our students to discover truth, beauty, and goodness in all that they encounter. At Nolan Catholic, our students are formed in the Gospel virtues of faith, hope, and charity to become lifelong learners in knowing, loving, and serving God.
