

INTERNATIONAL APPLICATION PROCESS

INTERNATIONAL STUDENT ADMISSION

Prospective international students may apply with our online application, which includes a \$75.00 application fee. Currently we do not work with third party agencies, provide housing or host families. The application is found under the admissions tab of our website at www.nolancatholics.org. Students must submit academic records from their current school and student evaluations from the Headmaster and teachers in English and Math. **These records must be translated to English.** All students are required to take the Independent School Entrance Exam (ISEE).

International students must be proficient in English – reading, writing and comprehension. Nolan does not offer ESL classes. We require international students to take the TOEFL, IELTS or SLEP exam. International students will also undergo a virtual family interview with one of our Administrators. This interview is the final step prior to admissions review and will not be scheduled until the documentation listed below has been received. Once accepted, students are required to live with a relative or a host family. *Nolan does not provide host families.*

If accepted to Nolan, the student may then apply for the F-1 Visa. **Nolan does not issue the I-20.** That process and paperwork is handled through the Diocese of Fort Worth. Once your Visa has been issued, your host family will make an appointment with Laura Bates, SEVIS-DSO Representative at the Diocese for issuance to the I-20.

Tuition for the school year is announced each January for the following school year and is due in full by July 31st through a wire transfer. In addition, there is a \$1,500.00 one time international fee due at the time of tuition.

INTERNATIONAL APPLICATION PROCESS

Our admissions committee will review the application when all of the following documents are translated to English and received:

- The online application is complete and submitted (list host family as household 2 on application)
