

University of Dallas Summer Programs

- [**Arete: An Introduction to the Classics**](#): Students will enroll in an intensive two-week college experience as residents on UD's Irving campus. By studying important classical texts, students will develop indispensable reading and writing skills for advancing their college aspirations and will earn three hours of college credit. The university looks forward to holding the program in summer 2023.
- [**College Citizens, Seeking Wisdom, Truth, and Virtue: Building First-Generation College Citizens**](#): Students will engage in a rigorous two weeks of in-depth reading, writing, and discussion about some of the most fundamental topics in our society: What is citizenship? What does it mean to pursue truth or seek a virtuous life? What is our responsibility to the members of our community?
- [**Summer Art Academy**](#): The Summer Art Academy on the University of Dallas campus in Irving, Texas, is an opportunity for art students to immerse themselves in the language and techniques of art making, expanding their abilities and developing their artistic potential.
- [**Summer Music Academy**](#): Set on the University of Dallas campus in Irving, Texas, the Summer Music Academy is an opportunity for string, piano and vocal students to immerse themselves in the language of music, expanding their musical abilities and developing their artistic potential.

Other Summer Programs

- [**The Witherspoon Institute, Moral Life and Classical Tradition**](#): The Moral Life and the Classical Tradition Seminar is a week-long program for rising high school juniors and seniors as well as rising college freshmen interested in the ancient philosophical tradition and its influence in the Christian moral life.
- [**SAME, STEM Engineering and Construction Camps**](#): Campers gain a sense of what it takes to become a STEM professional and what options exist to explore that interest from high school to college and beyond. Each camp has a unique curriculum that features hands-on activities that are conducted in competitive environments that promote teamwork, leadership, project management, and problem-solving.
- [**TCU Fine Arts Camps**](#): Percussion, band, flute, saxophone, harp, choir, etc.
- [**TCU - Neeley School of Business**](#): Neeley Analytics Academy for the Summer of 2023!

The deadline for applications is April 21, 2023. Students will then be notified of acceptance by mid-May.

- [**UTA Youth Programs**](#): STEM Academy, Honors Academy, Trio Pre-College Programs, Athletic Summer Camps.
- [**High School Zoo Camp**](#): Campers get special behind-the-scenes access themed for each day of the week. Register your camper for individual days, or a week! From mammals and ectotherms to veterinary and nutrition, each session allows campers to focus on their areas of interest as they get up close to their favorite Zoo residents.
